**19TH OCTOBER
10AM HYDE PARK.**

**OVERDEVELOPMENT!
WRECKING YOUR SUBURB?
SPOILING A PLACE YOU LOVE?
DESTROYING OUR HERITAGE?
ROBBING FUTURE GENERATIONS?**

The NSW government has changed the laws governing planning, environmental assessment and heritage protection. The Planning Minister now has extraordinary power to override local councils, community wishes and expert opinion.

Citizens across NSW are angry. Community groups are fighting. We're losing because the laws are stacked against us.

Hear Jack Munday, Shane Withington and speakers from political parties, National Trust and community groups:

Currawong, Sandon Point, Catherine Hill Bay, Putney, Save Our Suburbs, Tathra, Bowral, Friends of Ku-ring-gai, Dee Why, Hastings Point, Eveleigh Railyards, Save the Illawarra Escarpment, National Parks Association, Coffs Harbour Jetty Action Group, Killalee, Wollongong, Hill-top, CAPO Coalition Against Private Overdevelopment .

**ACT TOGETHER! PROTECT OUR HERITAGE!
AND OUR COMMUNITIES!**
