

“BACK TO THE BAY”

FESTIVAL AT CATHERINE HILL BAY
SATURDAY AND SUNDAY, 5TH & 6TH OCTOBER 2013,
10AM-4PM

www.catherinehillbay.org.au

Open Garden at the Bay School at Catherine Hill Bay.

The Bay School opened in 1915 and for the next 70 years was the focus of life of all who grew up in the town. The grounds will be open during the festival under the Open Garden Program.

There will be a particular emphasis on the importance of kitchen gardens in our lives today, referencing earlier days in Catherine Hill Bay when people relied on the produce of their own gardens and gardened in a sustainable way.

Celebrity gardener, Linda Ross from the 2GB's The Garden Clinic (Saturday and Sunday morning 6-9am), will be running a number of kitchen garden workshops on *Growing your own Vegetables*, composting and organic feeding.

In the grounds will also be stalls, gourmet BBQ, children's activities as well as **Devonshire Teas** under the Wisteria pavilion.

An Art Show and Film Festival, with works that highlight the reasons why the town has been placed on the State Heritage Register, will also be a feature of the festival.
