For Association members, Friends of Catherine Hill Bay, residents and supporters everywhere

IMPORTANT UPCOMING EVENTS

- Lake Macquarie City Council is seeking **community feedback** on the Draft Catherine Hill Bay Local Area Traffic Management (LATM) Scheme, which has been approved by LMCC Councillors to go on exhibition.

The scheme proposes treatments to address the **volume** and **speed** of vehicles using local streets, typically through a suite of physical measures to improve conditions for all users but that are also in keeping with the heritage listing of Catherine Hill Bay.

As you are well aware this has been a long process and we are almost at the end; but **you need to put in a favourable comment** if we are to achieve what we have worked for. If just negative comments are recorded then the outcome could be skewed.

Comments will be accepted until Monday 30 September 2013.

View online: www.lakemac.com.au or at Swansea Library, CHB Bowling Club, LMCC Customer Service Centre.

Council is also running a 'drop-in stall' at the Bowling Club, Thursday 19th September, 4-7PM

Contact Peter McMurray, LMCC Transportation Planning Coordinator on 4921 0641 or email pmcmurray@lakemac.nsw.gov.au
