For Association members, Friends of Catherine Hill Bay, residents and supporters everywhere

The State Government has listed the villages of Catherine Hill Bay and Middle Camp on the State Heritage Register

The listing is only the second time- following the listing of Braidwood in southern NSW four years ago- that an entire town has been placed on the State Heritage Register.

Planning Minister Tony Kelly said "These villages have been recognised for their outstanding historic and aesthetic qualities as well as the important cultural association they provide to the State's early mining and maritime industries".

However, all the work that has been done over the last 10 years in preparation for this listing by the Department of Planning; the Lake Macquarie City Council and the National Trust has recommended a much larger area be listed. So we still have some work ahead of us. If you want to view the listing and the Media Release from the Minister please go to our website; www.catherinehillbay.org.au

A reminder that next Friday night at 7pm the Catherine Hill Bay Progress Association will hold its next meeting. The AGM will also be held.

So much has happened over the last few weeks that we need to discuss and set strategies concerning:

1. The Report on the South Wallarah Peninsula State Environmental Planning Policy and how this may impact on future Rose group development plans.
2. Report on the Coal and Allied draft Concept Plans.
3. Report on the Jetty
4. Art Show

All are welcome to attend
