NEXT CATHERINE HILL BAY PROGRESS ASSOCIATION MEETING:

Friday, October 28th in the Surfclub at 7:30.

AGENDA:

1. Traffic report.

Peter Mc Murray, Transportation Planning Coordinator with the Lake Macquarie City Council will attend the meeting and explain the results of the first round of traffic surveys that were carried out in August.

2. Report on the Rose group proposed subdivision.

As you are aware the Association has begun a legal challenge to the approval given by the Planning Assessment Commission. The Association is participating in a mediation process with the developer, Rose Group and the Department of Planning in October. Justice Talbot will be the mediator. The outcome of this mediation will determine whether court action will follow.

3. Report on the Coal & Allied development proposal.

4. Report on the jetty and rehabilitation of former mining lands.

The Association was planning a bonfire on the beach on the 26th November however insurance against fire is the sticking point. Come with some ideas of how we can celebrate our wonderful town.
