SPECIAL MEETING OF THE CATHERINE HILL BAY PROGRESS ASSOCIATION

***SUNDAY 9TH OCTOBER, 11am at the old RSL HALL
(Corner Flowers Drive and Northwood Road)***

As the Association will be participating in a mediation process with the developer Rose group and the Department of Planning there is a need for Association members to meet and discuss the issues.

Two members from the Association have been asked to attend the mediation with our solicitor, Corrina Novak, from the Environmental Defender's Office.

As the EDO line of argument is based on heritage, our heritage expert Jennifer Hill has agreed to represent the Association. I would also like to attend. However we want your input before the mediation (date in October has not yet been set) so that we are sure that we are faithfully representing the interests of the members of the Association.

***This meeting should take no more than an hour.
Please note that the meeting in the surf club on Friday, October 28th will be an AGM after the traffic issues are covered.***
