Installation: Construction has been pushed back in the hope that Montefiore Parkway is open, improving traffic flow. It is now scheduled to commence in the week starting 10 October, being the latest possible for completion by summer.

NBN FOR CATHO?

The NBN is being installed at the new residential subdivision Beaches: why not in the villages as well? Read the attached letter by Dan Wheatley.

OUR WALK TO MINE CAMP WAS POPULAR!

We plan to run other walks during the Autumn and Spring months. Plenty of notice will be given in the newsletters.

This wooden south tower transmitted the radio waves that the north tower received the echoes of. This radar station was unusual in having 2 aerials. A hundred other RAAF radar stations had only one, not so high, but rotating, using an improvement in the electronics.

TENNIS CLUB

There was a working bee and BBQ on Sunday 2 Oct and we appreciate Jann Kinsela taking over as Treasurer!

LANDCARE

With the Lake Mac Landcare Green Team, more lantana, bitou bush and other weeds were thoughtfully disposed of, and Lomandra planted along the Graveyard Beach car park edge.

A request to Council to restore the fence was actioned within a fortnight, as well as some dumped rubbish removed.

Last session this year is **Sat Nov 5 10- noon**, then we return in February after the ticks and heat have

hopefully reduced.

And Lake Macquarie Landcare won the Government Partnership award at the National Landcare Conference in Melbourne! Congrats, Carmel!
